Human Interaction and Complex Service Channels (current month)

1. Counts of total contributing participants are dependent on posting dates of agency payrolls.
2. Does not include payroll corrections which may impact full match percentages.
3. This number does not include those with Agency 1% Contributions only and making no employee (Roth/Traditional) contribution of their own.
4. Participants may elect to transfer all or part of their single payments. If only a portion is transferred, each portion (cash and transfer) is counted separately.
5. The participant satisfaction score takes into account phone calls, web, mobile, email, and chat.
