

FEDERAL RETIREMENT THRIFT INVESTMENT BOARD
77K Street, NE Washington, DC 20002

FOR IMMEDIATE RELEASE
September 30, 2026

**STATEMENT OF
FEDERAL RETIREMENT THRIFT INVESTMENT BOARD
CHAIRMAN MIKE GERBER
ON THE PASSING OF BOARD MEMBER LEONA M. BRIDGES**

Washington, D.C. – Federal Retirement Thrift Investment Board (FRTIB) Chairman Mike Gerber issued the following statement upon the passing of Board Member Leona M. Bridges.

“It is with profound sadness that we share the news of the passing of our esteemed FRTIB Board Member Leona Bridges. Leona was a dedicated public servant, devoted advocate for our participants and beneficiaries, a valued colleague, and a dear friend. Leona had a very special spirit about her. She enjoyed life, loved our country, cared deeply for those we serve, and had a passion for helping others. To know her was to feel better about humanity. We will miss her greatly. I join the entire Agency in expressing our condolences to Leona's family, friends, and all who know and worked with her during her years of service.”

Additional Background

Ms. Bridges was confirmed by the Senate to serve on the FRTIB on June 9, 2022. In addition to her service on the FRTIB, Ms. Bridges was a Commissioner for the San Francisco Employees' Retirement System, a former Director for the Municipal Transportation Agency and was a Commissioner for the San Francisco Parking Authority of the City & County of San Francisco.

During her previous career in the financial services industry, she focused on asset management and was also responsible for establishing and maintaining civic and community relationships. She established an endowed scholarship in the College of Business to support economically and educationally disadvantaged students at San Francisco State University. She was actively involved in her community and believed that “we should always be a blessing to others.”

The FRTIB administers the TSP solely for the benefit of its participants and beneficiaries. The TSP is a retirement savings plan for federal employees and uniformed personnel; similar to the 401(k) plans offered by many private employers. Participants include current and formal federal civilian employees and members of the uniformed services.
